Upholstery Care

Vinyl upholstery needs no care.

Leather upholstery is certified for marine use.

Contact us if upholstery soaks or wears

FRESH WATER RINSE

If the seats have been heavily exposed to salt or dirt, wipe with cloth and fresh water.

All parts are 100 % corrosion free.

FUNCTION CHECK (100h)

1. Check dampers for oil leakage

2. Jump on seat to try to bottom it out. Contact us if the seat bottoms or if there is leakage.
